

EXHIBITOR
ENTRANCE

During show hours, exhibitors are urged to use the Exhibitor Entrance at Door 16 (Hall 2) for the Home and Garden Show or Hall 4A entrance for the Successful Gardening Show, south side of the International Centre (see floor plan, page 31). This entrance gives direct access to the Exhibitor Parking area. Exhibitor badges will be available for pick-up at these sites only once the Show has begun.

EXHIBITOR
PARKING &
ENTRANCE/EXIT

Due to expected excessively heavy public parking demands, we request that all exhibitors use the designated parking area. Simply enter the International Centre grounds via the driveway south of Building 6. Follow the signs and park between Buildings 1 and 6, as marked on the site plan on page 33. A sign will indicate the entrance and a parking attendant will be on duty from one hour prior to show opening. Exiting at night will be by exhibitor entrances at Door 16 (Hall 2) or Hall 4A main entrance and only these locations.

There is no charge for parking at the International Centre for exhibitors or show visitors.
